Dear Madam Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed manufacturing license agreement for the export of technical data, defense services, and defense articles in the amount of \$100,000,000 or more.

The transaction contained in the attached certification involves the export of defense articles and defense services for the manufacture of the AN/APG-63(V)1 Radar System Retrofit Kits for end-use by the Ministry of Defense of Japan.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Richard R. Verma
Assistant Secretary
Legislative Affairs
